

# Kentucky LEAN Tour 2019

*Led by former Toyota executive  
and co-author of 'Toyota Culture'*

**MIKE HOSEUS**

***Sept. 17-19, 2019  
Lexington, KY***

**The Kentucky Lean Tour 2019** is a guided 3-day experience which explores best practice lean leadership alongside other experienced lean veterans. With unparalleled insight to the largest Toyota plant in the world, we'll observe their culture of continuous improvement and leadership development programs. Most importantly, you'll create tangible action plans on how to take your own lean programs to the next level.

### **EXPLORE TOYOTA**

Discovering the Toyota way. Explore the Advanced Manufacturing Training Center with an in depth walking tour and tour the factory floor of Toyota's largest plant in the world.

### **FROM COST REDUCTION TO SUSTAINABLE RESULTS**

An interactive session preparing for the Toyota benchmarking tour; exploring the principles of moving away from purely opportunistic costreduction programs towards initiatives that can help achieve long-lasting and sustainable business results.

### **TOUR OF THE WOODFORD RESERVE BOURBON WHISKY DISTILLERY & DINNER**

Tour participants, leaders and staff are invited to network, relax and get to know each other over drinks and dinner.

### **TOYOTA CULTURE:**

All participants receive a signed copy from Mike Hoseus of *Toyota Culture; The Heart and Soul of the Toyota Way*

### **Why attend?**

*\* An intimate platform to network, benchmark and establish best practice with peers from cross-industry organizations*

*\* Actionable content, case studies, interactive exercises and guided interactive sessions*

*\* A Personal Action Plan to implement and sustain a lean culture.*

**This VIP opportunity is limited to 25 senior manufacturing professionals**

**Costs of \$2,975 includes:**

- workshop materials
- site visits
- breakfast and lunch for all three days
- team dinner

*\* Transportation cost to and from hotel, hotel accommodations and two dinners are attendee's responsibility.*
