

Rockline

NE WI #2 CI Alliance Event – Virtual

Thursday, September 29, 2022

9:00 – 10:30 a.m.

Hosts: Deb Biley, Dustin Schellinger, Angie Schroeder

Rockline is a family-owned and run business since their founding in 1976, and is the leading manufacturer of wet wipes, coffee filters and baking cups. They have grown from a 35-person company to an organization with more than 2,500 who design, make, and ship products all over the world. Rockline will share the development of their Lean program, both past and the future footprint. Bring your thoughts and ideas while we engage in a roundtable discussion around project prioritization, recognition, and employee engagement.
